3rd - 6th grades: Use the 28 1/2 inch ball.
3rd - 6th grades: 7 minute quarters
All other divisions: 8 minute quarters

QUESTIONS....

How early do we need to arrive in Reno ?

There will be a coaches' meeting on Friday night at 6pm. This is the time you will check in, meet the tournament officials and get any last minute information as well as your coach passes.

How do I get AAU cards?

Contact your local office by calling 1-800-AAU-4-USA or go to the National site at www.aausports.org

How do I find a hotel?

Register as early as you can. Hotels will fill for Memorial Weekend. We have a listing of hotels that have offered special rates for us on our web site. Be sure you get these rates as other groups have higher rates. But there are a limited number in each block. So if you don't register early you could miss out on these rates.

I have heard there are two tournaments in Reno that weekend. Which one is this?

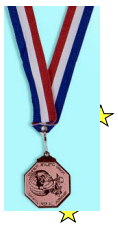
This tournament is in its 23rd year. It is held in gyms throughout the entire Reno area. This is the one that you have been hearing good things about for years. We have had an average of 220 teams for the last seven years.

Will we play each day?

Yes, you will have at least one game Sat, Sun and Monday.

When will we finish on Monday?

It is impossible to say. Generally the better your team places the later in the day on Monday you will finish. But typically the last game is over by 3:30.



AWARDS

Team & Player Awards:

Top 3 teams per division will get Plaques and medals

M.V.P. award: 1 in each division.
