2002 AAU DIVISION CRITERIA

The AAU has made several rule changes that make the divisions much more based on grade than age. As always each coach is responsible for having the supporting documentation. You will only need to show this documentation if there is a question from another participant. Copies of certified birth records, adoption papers or immigration papers for each player are needed to prove age. Confirmation of grade level is proven by a letter from the school administrator. Each team is limited to three (3) players who qualify under the grade exception rule. More information can be obtained from the National AAU Web site that can be accessed thru our web site.

The following is a description for the 5th grade, for each subsequent age group subtract a year from the definition.

5th Grade/11 and Under: Born on or after Sept. 1, 1990. Exception: A player who is in the 5th grade and who was born on or after Sept. 1, 1989 can participate.
